

September 25, 2019

This is a final informational update for this season.

The year has gone by quickly.....

- we finally got the site allocated for 4 more courts
- we had Gary's great tournament (Cardiac Wellness) with \$6,000 raised for the club
- 216 members kept the courts busy

Pat Meyer is working with a committee to review and revise the programs for both 4 courts and 8 courts. This recommendation should be ready and presented at our

PPC Annual General Meeting

on October 15th at 7:00 pm

at the Senior's Drop In Center

The construction plans for the 4 new courts will be presented at the AGM. We will need to discuss some fundraising options for these courts as the city is asking the club to contribute to the project.

Janice Manders is preparing some options involving a change in how we do the club ratings for the competitive players and will outline her plan at the meeting.

The following positions need to be filled on the 2020 Board:

President, Vice President, Secretary and Membership

Volunteers are also needed for different operational positions.

The future of the club will be decided by YOU. It is easy to simply come out, play and expect someone else to step up and do the work.

There are many positions that need to be filled for next year. If these positions do not get filled the club cannot operate.

At the meeting there will be a lot of information given that will need your input. These discussions will affect your play next year.

Hope to see you all at the meeting!

Mark Tamblyn, President PPC
