Rules for booking Events/Reserved Courts

Due to the record number of members this year, the following procedures are in effect:

- a. You may only play once per day during Club time and 3 events per week. Included events are all level play sessions, Tuesday Ladies Round Robin and Wednesday Social Doubles. Players may still play more than 3 times per week in Drop-In sessions, Reserved Courts, Ladder League and Lessons.
- b. Bookings can be made up to 14 days in advance at 7:00 p.m.
- c. If you can't attend a previously made reservation you must cancel more than 12 hours before the start of your session — this gives sufficient time for someone from the waitlist to be added in your place and notify the Court Host. "No shows" for events are extremely frustrating for Court Hosts (CH). Not only could a waitlisted member have taken your place, the CH has to re-organize the session at the last minute. "No shows" may lose their court booking privileges.
- d. Members may only book one court per day. A minimum of 4 and a maximum of 6 players must be entered in.
- e. If a reserved court has not been occupied within 10 minutes of the scheduled time, it is open to other members of the public (i.e. a 12:00 noon booking that is not claimed by 12:11 PM is open to other members or the public).
- f. Non-member/Guests must abide by the PPC guest policy/procedures. The person who books the Reserved Court is the "Court Host" for their court and is responsible for ensuring Club rules/procedures are followed. The court Host is also responsible for any non-member/guests completing a waiver (if one is not already on file), collecting the \$10.00 drop-in fee and placing it in the locked cash box in the cabinet.
- g. Members who do not follow these rules will lose their CourtReserve booking privileges.
- h. Reminder to Court Hosts, Court Captains and Club Members to complete incidence reports when an incident occurs on the courts.
